PROJECT XBE SPEND

The ICR **Project XBE Spend Award** recognizes outstanding XBE spend on private and public works projects. The awardee must have established project goals that are either met or exceeded. The award takes into consideration both aggregate and disaggregate spend by XBE categories in a supplier diversity program.

A panel of judges will evaluate the submissions and determine which project deserves recognition.

The winner will be announced at the ICR Annual Conference on *September 22, 2024* at Newfields.

Criteria

- Must provide report with total percentage of diversity spend.
- Must provide the final project summary report with full list of diverse prime contractors, subcontractors, consultants and suppliers utilized on the project.
 - Include:
 - Vendor name
 - Type of firm (ie. general contractor, subcontractor, consultant, etc.)
 - Contracted amount
 - Actual amount
- A narrative should be included that highlights any successes, challenges overcome, or additional pertinent information that speaks to the effectiveness of your XBE program specific to the project.
- A letter from the owner authorizing the submission of the project for consideration must be included with submission.

Eligibility and Submission Requirements

- Project must be fully complete and completed between July 1, 2022 – June 30, 2024.
- A project can be nominated by a contractor, individual, owner or design professional.
- The nominator must be a current ICR Association Member.
- All submissions must be submitted electronically via the link in the submission document.
- *Any departure from the guidelines will be considered incomplete and may result in the committee deeming the entry invalid.*
- Submissions must be received no later than **Wednesday, July 31, 2024 at 5 p.m. ET.**

Questions
